

Arthrex ACP®/PRP Publication Database

What Does the Database Offer?

- Overview of more than 400 publications dealing with PRP/ACP (number increasing!)
- Monthly update
- Various display options (e.g. year of publication, journal, therapeutic area/indication such as foot, shoulder, OA etc.)
- Direct link to the respective NCBI/Pubmed abstract (just one click)

How Do I Get Access to the Database?

Step 1 ► Go to www.arthrex.com.

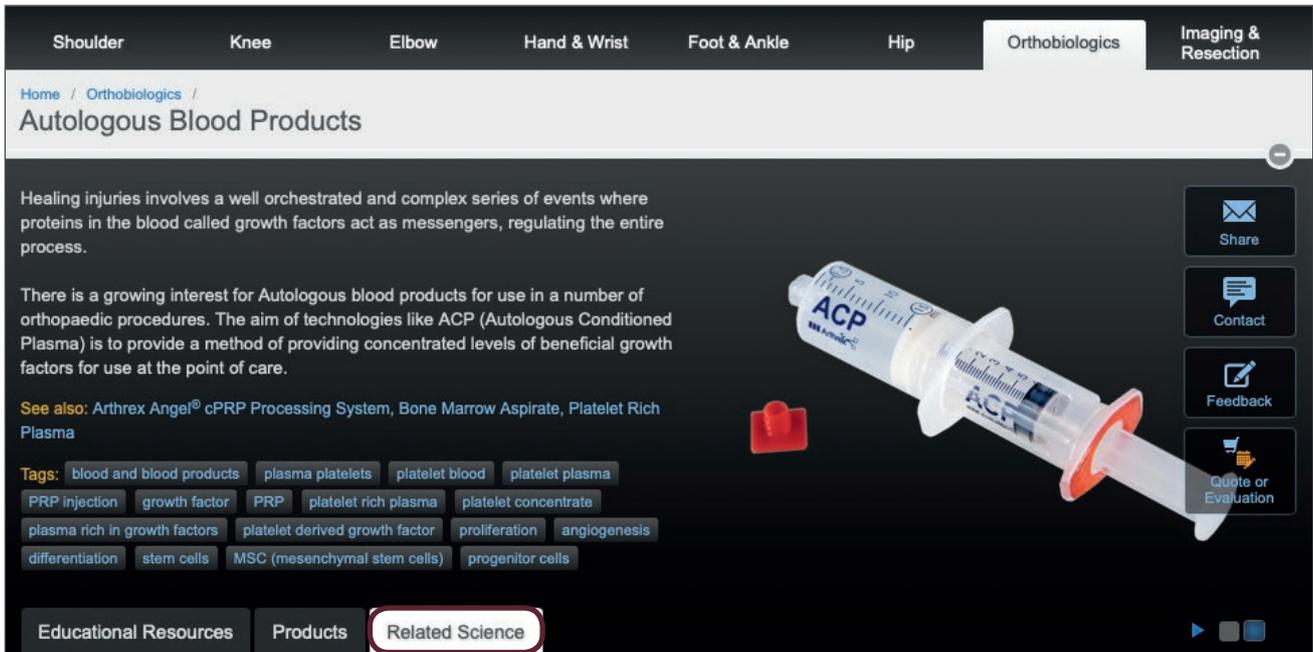

Step 2 ► Click on **“Orthobiologics”** followed by a click on **“Autologous Blood Products”** within **“Product Group”**.

The screenshot shows the Arthrex website navigation menu. The top navigation bar includes links for Customer Service, Events Calendar, Apps, United Kingdom / English, and Login. Below this is a secondary navigation bar with links for Corporate, Newsroom, Medical Education, eDFUs, UDIs, and Ethics Helpline. The main navigation bar features categories: Shoulder, Knee, Elbow, Hand & Wrist, Foot & Ankle, Hip, Orthobiologics (highlighted with a red circle), and Imaging & Resection. Below the main navigation bar, there is a search bar and a filter menu. The filter menu is set to 'Product' and shows a list of Product Groups. The 'Autologous Blood Products' group is highlighted with a red circle. The list of Product Groups includes: Allograft Tissue, Autologous Blood Products, Bone Grafting, Cartilage, Cellular Products, Soft Tissue, and Wound Care. The Product Category list includes: Arthrex Angel cPRP Processing System, Bone Allograft, Bone Marrow Aspirate, Cartilage Allograft, Cartilage Autograft, Platelet Rich Plasma, Post-Op Dressing, Soft Tissue Allograft, Stromal Vascular Fraction (SVF), Synthetic Bone Grafts, Synthetic Repair Device, and Xenograft Soft Tissue. The Product Family list includes: Allograft OATS Set, Large, Angel System, Arthrex ACP Double-Syringe System, Arthrex ACP Tendo, Arthrex Angel cPRP and Bone Marrow Processing System, Arthrex DX Reinforcement Matrix, ArthroFLEX Decellularized Dermal Allograft, Autograft Distal Extremity OATS, Autograft OATS, Autologous Conditioned Adipose Tissue (ACA), and Backfill Plugs.

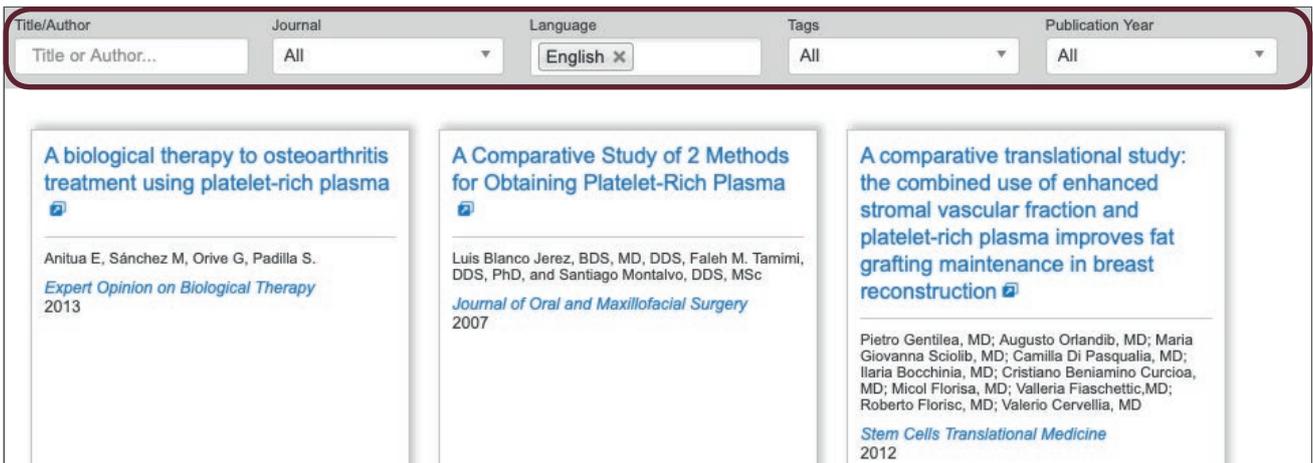

Arthrex ACP®/PRP Publication Database

Step 3 ► Finally, click on “**Related Science**” to enter the Arthrex ACP®/PRP Publication Database.

Step 4 ► There you have multiple search options that provide a customized overview of relevant publications.

By clicking on **the title** of the study you will be directed to the respective NCBI/Pubmed abstract with a short summary of the study details.
